Giovanni Rana Unfilled Range

Spaghetti, Tagliatelle, Fusilli and Penne Pasta:

- Sfogliagrezza range – in the fresh pasta market, unique to Giovanni Rana.
- Characteristic of hand-made pasta, provides a roughness that helps the pasta absorb the sauce.
- Minimum of 20% fresh eggs & specially selected flours.

Lasagne Sheets:

- Made with very thin pasta so no need to pre-cook.
- Each sheet is alternated with a piece of paper – so the sheets never stick to one another.

Tip:

There is no need to add oil to the cooking water, as any pasta that may be slightly stuck together in the pack will separate in the pan.
